Guinness Hop House Lager 13 - 5,00% vol.

One of its unique features is the double processing of the 3 hops: starting from the boiler, the unmistakable bitter flavor is generated, then it moves to the centrifuge to release the delicate aroma that can be recognized by the nose even before tasting. On the nose, it has a delicate fruity and sweet aroma, with hints of apricot and peach, and subtle notes of malt. On the palate, it proves to be a flavorful, hoppy beer with a strong and refreshing aftertaste.
